

DECADENT MARINE BASED TREATMENTS RELAX, REFRESH & REJUVENATE

BACKGROUNDER

Ocean Pearl Spa is a Southern California coastal oasis with magnificent views of the Pacific Ocean located on the grounds of the Sheraton Carlsbad Resort & Spa. Decorated in a soothing ivory and gray-toned marine-based theme, the overall experience is calming, inviting and gender-neutral to appeal to both men and women of all ages.

Offering innovative, organic marine-based beauty treatments, indulgent products and pampering amenities at competitive prices, Ocean Pearl Spa offers specialty packages that appeal to a wide variety of spa-goers including brides, girlfriends, golfers, executives, groups, and couples.

Personalized attention sets the Ocean Pearl Spa experience apart with trained therapists who customize massage techniques to meet the unique needs of each client and produce the best results. "We understand that each person has unique therapeutic needs when it comes to bodywork. Our focus is their well being and to provide massage therapy that is flexible and integrates a variety of massage modalities to best meet each of our guests' needs," says Spa Director Jennifer Anderson.

SIGNATURE SPA TREATMENTS

Ocean Pearl Spa skin and body care treatments are designed to nourish, purify and restore balance. Each guest appointment includes time for replenishment and self care in a peaceful atmosphere dedicated to personal service. The Ocean Pearl Spa offers a variety of treatment options, packages and services utilizing pure, organic products. Some include:

Coastal Waters Body Mask - Organic, hand-harvested ocean mud, rockweed and Alaria seaweed are applied in the French tradition of thalasso-therapy for therapeutic cleansing and toning. This layering process allows for optimum absorption of vitamins, minerals and other nutrients during an invigorating exfoliation, body mask and firming hydration application. Expect amazing detoxification results when combined with massage.

Organic Essential Facial - A deeply purifying facial focusing on individual skin care needs using delicious masks, serums and moisturizers blended from potent herbs, fruits, plants and vegetables. Skin will look and feel renewed and vitalized.

Ocean Essence Exfoliation - Feel energized, hydrated and radiant after experiencing this full body sea salt exfoliation. Skin softens and pores awaken through a relaxing steam followed by a body scrub blending pure sea extracts, herbs and rich hydrating oils.

Warm Basalt Stone Massage - Deep penetrating heat of smoothed basalt river stones intensely melt away muscle tension.

Aromatherapy Facial - Classic cleansing treatment that enhances overall relaxation.

Ultimate Rejuvenation Facial - A gentle, yet intensive exfoliation combining fruit acids and stimulating paprika designed to oxygenate and detoxify for transforming results.

Herbal Clay Mud Wrap - Using a warm cocoon of soft linens and aromatic clay mud blended with rich oils, this treatment deep cleanses and refine pores while providing essential minerals and hydration to the skin.

Personalized massage sessions - each and every massage is performed to meet our client's needs.
